Legacy of the Beeches

The Inn: A Landmark in Rome's History

Built in 1955 and formerly known as The Beeches Paul Revere Lodge or Paul Revere Motor Lodge, the historic Inn has long been a Rome landmark. In April 2023, The Beeches Historic District, including the Inn, was added to the National Register of Historic Places. The Inn's transformation will preserve its historic charm while introducing modern housing, accessibility, energy-efficiency, and safety improvements, ensuring this beloved landmark continues to serve the community for generations.

A Global Day of Giving

Your Gift. Their Difference.

Behind every request for support is a person with a story, a family seeking peace of mind, a caregiver who needs support, a child who deserves a healthy start, or a senior who values independence and dignity. This Giving Tuesday, your generosity can make a meaningful difference in the lives of those we serve. Through the Nascentia Health Charitable Foundation, your gift helps turn compassion into care and hope into action. Donate today at **nascentiahealth.org/foundation**.
